SENATOR LOFLIN SEEKS TO DISORGANIZE COFFEE COUNTY BY PROPOSED LAW

The people of Coffee County should register their unanimous opposition to the proposed local law for Coffee County, notice of which is being now published in the Enterprise Ledger.

This Proposed Bill Provides: 1. To re-organize the Commissioners Districts, cutting off fractional lots into different Commissioners Districts, and numbering the four Districts as follows: N. E. District Number 1; N. W. District Number 2; S. E. District Number 3; and S. W. District Number 4.

2. To extend the terms of Commissioners in the N. E. and N. W. Districts, numbers 1 and 2, namely Commissioners Moore and Kiser, for two more years without an election, making their terms end in 1931.

3. To give to the County Commissioner in his district direct charge and supervision of all road and bridge construction and maintenance, thereby eliminating any voice or supervision by the Justice of the Peace.

4. To pay \$5.00 a day to the County Commissioner for attending his duties and 150 days in the year.

Under the provisions of this proposed bill Commissioners Ward and Davidson will not be continued in office without election in 1928, while Commissioners Moore and Kiser will be continued for two years, and no election of any successor can be had until 1930.

The evident purpose of this legislation is to take out of the road and bridge work of the County the Justice of the Peace, and to give to one man the entire control of road and bridge work in each district.

All the present Commissioners are not supporting this proposed bill, but it is not any secret that some of the commissioners have been trying to override the Justice of the Peace in road and bridge work and cannot do so under present general laws of the State.

Another evident purpose of the proposed bill is to build up a political machine in the County that will seek to get entire control of the administration of affairs of the County and bring back a saturnalia of graft, waste and inefficiency.

I wish to call upon all good citizens and taxpayers to help defeat this vicious measure.

Respectfully,
J. A. CARMLEY, Judge of Probate.

STOCK OF PEA RIVER POWER COMPANY IS SOLD TO C. A. O'NEAL

Troy Messenger says:

Probably the biggest business deal ever consummated in Troy was completed here Saturday, when Ex-Gov. Chas. Henderson sold practically his entire interest in the Pea River Power Company to C. A. O'Neal, prominent business executive of Andalusia.

The majority stock purchased by Mr. O'Neal passes into his possession September 1st, the date the transaction becomes effective. The sum involved was not made public.

Gov. Henderson stated to a representative of this paper today that he will retire from active management of the power company. It is not known who will succeed him as president. However, it is thought that the president's office will continue to be located in Troy, nearer the area served by the Pea River Power Co., than Andalusia.

C. A. O'Neal, the new principal stock holder of the Pea River Power Co., is one of the leading lumbermen of Alabama. MADDOX-DEAL MEMORIAL SING

The relatives and friends of the late F. B. Madrox and Uncle Wiley Deal met on July 28 at Woodland Grove church according to previous announcements to sing the great songs that these men loved so well during their lives ready to hold up the Sacred Harp singing organization in Coffee and surrounding counties. Promptly at 9:00 o'clock Uncle Dick Helms called the house to order and after singing two songs he appointed D. Rowe to sing three songs afterwards the officers were elected for the day: D. L. Bryan, Chairman, E. L. Bryan, V. Chairman, D. C. Marley, Secretary, L. R. Hickman, W. W. Moody and E. D. Rowe was appointed as arranging committee.

The following lesson was reported three songs each: C. W. Wiggins, O. L. Benson, A. A. Parker, Reces five minutes.

After recess the following were called to direct the music: J. W. Moody, J. W. Lee, C. L. Rowe and R. C. Lowery. Recess five minutes.

At this point the relatives of the deceased reported the following to sing two songs each and assigned to each the songs that he should sing all these songs were favorite songs of the deceased: D. C. Marley, J. M. Donaldson, C. L. Rowe, J. L. Moore, M. W. Helms, W. J. Wilks, and then a short talk by Judge J. A. Carley and the closed what was called the special Memorial lesson. Recess one hour for dinner. I believe that there were more than enough to have cared for as many more as was present and most of the best good eats I ever saw.

Afternoon Session.

House called to order by Chairman singing two songs and the following were selected to lead the singing: T. M. Fulk, L. A. Cotton, J. R. Clark and C. L. Farrow. Recess five minutes.

House called to order by the chairman singing two songs and the following were selected to lead the music for the lesson: A. A. Dubose, O. J. Simmons, Noah Helms and W. W. P. Fisher, at this time Mr. T. S. Paulk were called on to offer resolutions of thanks, this he did and I am sure that every one present will long remember this day and the people of this good community asked that this singing be held annually as memorial for all the singers that has been and that may be called to their great reward.

Mr. L. R. Hickman sang two songs and the class were dismissed with a word of prayer by Uncle A. J. Wise, D. L. Bryan, Chairman, and D. C. Marley, Secretary.

The Peanut Shellers Say: "Your peanuts must be clean and properly harvested if top prices are expected" The New "LILLISTON" POSSESSES EVERY REQUIREMENT

COME AND SEE THEM IN OPERATION

"Harvesting and preparing your peanut crop for the market cannot be too carefully guarded if highest prices are expected." Is the statement of Boyd & Murphree, local shellers.

The Lilliston Picker is guaranteed to produce No. 1 grade peanuts, commanding \$10.00 to \$15.00 more per ton than the same quality not having been properly picked.

You are certainly interested in equipment that will produce the highest grade products—your neighbors are also interested in such equipment, and will allow preference when picking time arrives.

Don't be deceived, talk to your local sheller who pays the highest prices. Then come in and look over the New Improved Lilliston. Its new features are exceptionally desirable—its quality and performance is recognized by those having years of satisfactory experience.

The Dependable Ford Motor

Delays and expensive breakdowns are completely avoided with this dependable and inexpensive power unit.

The initial cost is surprisingly low, only \$175.00 Complete. It is an ideal power plant for many purposes around the farm, and promises to meet every requirement for peanut picking machinery.

Dependable day after day service—low cost operation and maintenance—is evidence of its superiority that insures satisfied customers.

R. G. ARNOLD TALKS ABOUT PROGRESS BEING MADE IN COFFEE COUNTY.

R. G. Arnold, district demonstration agent of Auburn, is a strong believer in the people and the future of Coffee County, where he served as county agent before he was promoted in glowing terms, he talked about Coffee county while in Montgomery Tuesday.

"In public service," said Mr. Arnold, "Coffee County is outstanding in Alabama. Under the leadership of Judge J. A. Carley and the county commissioners they have in that county farm demonstration work, home demonstration work, health work, and child welfare work. These four agencies are cooperating with each other and with other groups as well as the people in order to be of maximum service. Very few counties have all these lines of public service.

"In addition to state roads, Coffee county has 210 miles of good roads and roads; and the roads of the county are being improved steadily."

Mr. Arnold told about the progress being made in farming in that county. He said that production methods are getting better and that these are resulting in better crops. He said also that half of the cotton crop of the county has been signed by the growers of Coffee County as a part of a very important organization. Plans have been made to federate Coffee County Council of Women's Clubs with the State Federation of Clubs.

The one impressive thought gotten from the convention was that our Home Demonstration Clubs and our County Council are a part of a very important organization. Plans have been made to federate Coffee County Council of Women's Clubs with the State Federation of Clubs.

WOMEN'S COUNCIL PLANS TO ORGANIZE MORE CLUBS; FINE WORK BEING DONE

The County Council of Women's Clubs is indebted to the Farm Bureau for sending its president, Mrs. A. B. Wise, of Kingston, to the State Council meeting at Auburn.

Mrs. Wise was the official representative and she gave the report of the county's clubs and its council. There are only three Women's Clubs organized in the county, but plans are being made to organize more.

During the convention at Auburn a clothing contest and a nutrition contest were held. Coffee
